

MARSOC COMMAND INSTRUCTIONS

RC Marine is accepted for ASPOC/A&S

- MarForRes G1 writes the ADOS-CO Orders

- Marine reports to their parent SMCR Unit

- Parent SMCR Unit completes INIT JOIN and starts pay and allowances

- Parent SMCR Unit sends Marine TAD EXCESS

- MARSOC Attaches Marine in a TAD EXCESS Status

- Upon completion of A&S, MARSOC Terminates the TAD EXCESS and Marine returns to parent

SMCR Unit

- Parent Unit brings Marine back from TAD EXCESS

- Parent Unit submits UD entries to release Marine from Active Duty, completes DD214 & 11060

- Parent Unit rejoins Marine back to SMCR Unit pending Marine being issues PCS Orders for ITC.

RC Marine is invited to return to ITC

- MarForRes G1 writes the ADOS-CO (PCS) Orders

- Marine executes PCS Orders from their home directly to MARSOC, Camp Lejeune, NC

- Parent Unit submits TR TO ACDU Unit Diary Entry

- MARSOC completes INIT JOIN and starts pay and allowances

- If Marine completes ITC, then the Marine executes the Return to Active Duty for 4 year minimum period of active duty.

- If ITC is not completed (MARSOC notifies MarForRes for Orders Modification), then upon release from MARSOC, Marine is returned to their Primary Residence and upon completion of the LWAS, MARSOC submits UD entries to release Marine from Active Duty, completes DD214 and 11060

- Parent Unit rejoins Marine back to SMCR Unit.

We will ensure that each SMCR Unit possessing an RC Marine executing ADOS-CO to either ASPOC/A&S or ITC received explicit directions.
